

# INDEX

- Bidens pilosa*, ecology of insect population of flower heads of, 431
- Biology of water hyacinth, 447
- Bionomic studies on the beet leaf-hopper, 45
- Biotic communities of Wasatch chaparral, Utah, 473
- Borror, Donald J., article, 411
- Bruner, W. E., article, 507
- Busycon* spp. at Beaufort, N. C., 377
- Chaparral, Utah, 473
- Charcoal, effect on properties of forest soils, 81
- Competition in populations of *Trilobium confusum* and *T. castaneum*, 265
- Crabb, Wilfred D., article, 201
- Cross timbers, western, vegetation of, 325
- Crustacea, larger planktonic, distribution on Georges Bank, 233
- Davis, Charles C., article, 309
- Douglass, J. R., article, 45
- Dyksterhuis, E. J., article, 325
- Earle, T. T., article, 447
- Ecological notes on insects of flower heads of *Bidens pilosa*, 431
- Ecological study of snails at Beaufort, N. C., 377
- Ecology of forest-tundra ecotone on east coast of Hudson Bay, 117
- Forest soils, effect of charcoal on properties of, 81
- Forest-tundra ecotone on east coast of Hudson Bay, 117
- Gambusia affinis affinis*, 1
- Georges Bank, distribution of planktonic Crustacea on, 233
- Gopherus agassizii*, 145
- Gunter, Gordon, article, 309
- Hardy, Ross, article, 145
- Harries, F. H., article, 45
- Hayward, C. Lynn, article, 473
- Hudson Bay, ecology of forest-tundra ecotone on east coast of, 117
- Insect population of flower heads of *Bidens pilosa*, 431
- Interspecies competition in populations of *Trilobium confusum* and *T. castaneum*, 265
- Iowa, ecology and management of prairie spotted skunk in, 201
- Krumholz, Louis A., article, 1
- Leafhopper, beet, bionomic studies on, 45
- Loess Plains, Nebraska, 507
- Magalhaes, Hulda, article, 377
- Marine animals and phytoplankton, mortality of, 309
- Marr, J. W., article, 117
- Mortality, catastrophic mass, of marine animals and phytoplankton, 309
- Mosquito control by western mosquitofish, 1
- Nebraska, prairies and pastures of loess plains in, 507
- Needham, James G., article, 431
- Park, Thomas, article, 265
- Pastures of loess plains of Nebraska, 507
- Penfound, Wm. T., article, 447
- Phytoplankton and marine animals, mortality of, 309
- Planktonic Crustacea, distribution on Georges Bank, 233
- Prairies of loess plains of Nebraska, 507
- Records of banded white-throated sparrows, analysis of repeat, 411
- Reproduction in western mosquitofish, 1
- Skunk, prairie spotted, ecology and management in Iowa, 201
- Smith, F. G. Walton, article, 309
- Snails of genus *Busycon* at Beaufort, N. C., 377
- Soils, forest, effect of charcoal on, 81
- Sparrows, banded white-throated, analysis of repeat records, 411
- Tortoise, desert, studies of, 145
- Trilobium confusum* and *castaneum*, 265
- Tryon, E. H., article, 81
- Tundra-forest ecotone on east coast of Hudson Bay, 117
- Vegetation of western cross timbers, 325
- Wasatch chaparral, biotic communities, 473
- Water hyacinth, biology of, 447
- Weaver, J. E., article, 507
- Whiteley, George C., article, 233
- Williams, Robert H., article, 309
- Woodbury, Angus M., article, 145
